PRESS RELEASE: LCSO recovers stolen lawn/landscape power equipment

The Lake County Sheriff's Office has recovered numerous pieces of gas powered equipment that appear to have possibly been stolen from a lawn service or landscaping company. The serial numbers have not been entered into the national database, so we are hoping someone will recognize this crime and contact us to try to return the items to the rightful owner. If you believe they belong to you, please describe the items in detail, including brand, model, and any unique identifiers. Please email Deputy Dan Yonkin at dyonkin@lakemt.gov
